

Thanks to our friends and neighbors.....

Well we've accomplished a lot over the past few years. Thanks to your contributions, you have the beginnings of a community park we can all be proud of and that generations of our families can enjoy for years to come.

There is much more we would like to do such as.....

1. Additional playground equipment
2. Restrooms, park benches, sidewalks, fencing, etc.
3. Maintenance equipment for the grounds
4. Additional shelter for south portion of the park.
5. Possible permanent outdoor sound stage for entertainment and events
6. Continual addition of more trees and shrubs and landscaping

If you have already made a contribution, please accept our thanks. If not, how about talking it over with your family and being a part of this worthwhile community project?

Any donation, no matter how large or small, is much appreciated...but a contribution of \$100 or more will get you an engraved plate on the plaques inside the large shelter on the north side. Just include information on the form below and print clearly...

Many thanks,
Rarden Park Committee
